LA BELLE COLLECTION

Beautifully hand-crafted, patterned tiles which are suitable in kitchens and bathrooms this range is hand-painted at our Exeter studio with such attention to detail that they really are works of art. Matching 100 x 100mm field tiles in 32 gloss, 15 satin, 5 matt and 3 metallic finishes with complementary borders and plaques complete La Belle Collection.

VICTORIAN FLOOR TILES

Ideal for a variety of uses, geometric floor tiles are part of Britain's heritage. Plain and decorated tiles have been, and continue to be, used in every type of period property and situation from porches in terraced houses to bathrooms in stately mansions.

The Original Style range has been drawn from original Victorian pattern books, although the beauty of this type of floor covering is that you can create your own designs and pick colours that suit your individual application.

A CD is available for CAD users to help with the design and quantities, call 01392 473000 for a copy or download it free from the Original Style website www.originalstyle.com
